Good Morning Rich,

Hope all is well. We are near completion of the Hollywood Blvd Project and the contractor will be planting trees in the next couple of week. I wanted to touch base with you and find out if the BID is still interested to plant additional trees. If so, please provide us with the locations as soon as possible.

Thank you.

Hi Abdullah,

I won't be able to get you our tree designations/implantation plan by tomorrow. My apologies. I had a death in the family and things piled up. However, we are still working on this and want nothing more than to plant

those trees in the BID as soon as possible. We can have that to you next week and hopefully get that rolling soon.

Thank you!

Rich
